Equal Credit Opportunity Act (ECOA) 1974 (15 USC 1691 et seq.), and Fair Debt Collection Practices Act (FDCPA) 1970 (15 USC 1681 et seq.).

ECOA (15 USC 1691 et seq.) prohibits creditors from discriminating against consumers on the basis of race, color, religion, sex, marital status, or age. It also requires creditors to provide certain information to consumers, such as the name of the creditor, the amount of the debt, and the name of the collector.

FDCPA (15 USC 1681 et seq.) regulates the behavior of debt collectors. It prohibits debt collectors from using abusive, harassing, or unfair practices to collect debts. It also requires debt collectors to provide certain information to consumers, such as the name of the creditor, the amount of the debt, and the name of the collector.

Both ECOA and FDCPA are enforced by the Federal Reserve Board and the Federal Trade Commission. ECOA is enforced by the Federal Reserve Board, and FDCPA is enforced by the Federal Trade Commission.
